

# Stewardship Project Log 2020-2021

Teens are expected to participate in a minimum of 6 stewardship projects (that total approximately 20 hours): ideally, two that serve their family, two that serve St. Jude parish, and two that serve the community. Teens are needed to record each service effort in this Stewardship Log as well as reflect on, fill out, and turn in one Stewardship Reflection page by the end of April. Reflection page and Log can be downloaded at [www.stjudes.org/jhym](http://www.stjudes.org/jhym) under forms. During Covid, we understand if more service is provided at home to family than at church or in the community.
